**Discussion and/or Comments:**

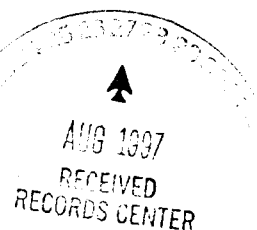

Please find attached copies of the Final Corrective Action Management Unit (CAMU) Interim Measure/Interim Remedial Action Decision Documents and Application Support Documents for both containerized and bulk storage at Rocky Flats Environmental Technology Site. These are final copies of the documents which will serve as the basis for State designation of the CAMUs. These documents have completed the public review cycle and are being submitted within the 30 day response period as scheduled. Responses to public comments have been prepared by the State and incorporated as appendices to the documents.

There are 21 copies of the documents accompanying this transmittal letter: (5) copies for the Kaiser-Hill project manager, Jennifer Uhland; (6) copies for the Department of Energy Rocky Flats Field Office; (3) copies for the State; (2) copies for the Environmental Protection Agency; (1) copy for the Rocky Flats Citizen's Advisory Board; and (5) copies for the Rocky Flats Public Reading Rooms.

A few additional copies were made and RMRS will be happy to deliver these documents as needed. Please contact Craig Cowdery of my staff at extension 2055 if there are any questions or additional copies are needed.
